

Measles, Mumps, Rubella (“MMR”) Immunization Verification Form

ALL students are **REQUIRED** to provide proof of immunity to measles, mumps and rubella (“MMR”).

Before students may enroll in classes, NAU requires documentation of **ONE** of the following:

- **Two (2) MMR vaccines (measles, mumps, and rubella) given on or after your first birthday, and the second given at least 28 days after the first; OR**
- **Laboratory test results showing immunity to measles, mumps and rubella; OR**
- **Date of Birth before January 1, 1957**

It is preferred that documents are submitted electronically. Please go to www.campushealth.nau.edu

After logging in, click on “Immunization Requirement” and follow the instructions.
