
Ways to use Study Abroad to fulfill the Honors Capstone Requirement:

Before submitting any of the following forms for review, you must have an approved Honors Capstone Proposal on file in the Honors College. Your Honors Capstone coursework detailed below should be specified in this Capstone proposal. Please note that only four credits earned abroad may be used in fulfillment of the Honors Capstone.

What type of Program?	How to earn credits that can be used to fulfill Honors Capstone requirements?	What to submit to Honors?	When to submit to Honors?
Faculty Led Program	Work with the faculty leader of the trip to include an HON component to the course to turn it into an Honors course. You may only use up to <u>four</u> units of faculty led credits in fulfillment of the Honors Capstone.	Honors Study Abroad form-please check the "Honors Capstone" box. You MUST attach a syllabus and a brief proposal identifying Honors component.	Four weeks prior to departure
IGP	IGP students may receive up to <u>four</u> units of internship credits (i.e. SPA408H, GER408H) in fulfillment of the Honors Capstone. Unique prompts will be sent upon approval. Note: The Capstone cannot be used in conjunction with the 408 spring course three-essay option. The LAN 340 fall course discussion leader option will not fulfill Honors Capstone requirements.	Honors Study Abroad form-please check the "IGP" and "Honors Capstone" box.	April 1 prior to departure
GRIP (Research or Internships Abroad)	GRIP students may only use up to <u>four</u> units of internship credit in fulfillment of the Honors Capstone. Honors credits may be earned through an additional assignment. Unique prompts will be sent upon approval. *Note: Internship credits earned abroad must follow CIE GRIP credit guidelines.	Honors Study Abroad form-please check the "GRIP" and "Honors Capstone" box.
