

TRIBAL CONSULTATION

Effective Date: October XX, 2019
Last Revised: Not Applicable

COLLABORATING WITH NATIVE AMERICAN TRIBES

This document provides important guidance for Northern Arizona University faculty, staff, and students who wish to engage in research or other initiatives or projects that have foreseeable implications for federally recognized Native American tribes, tribal communities, or individual members of a tribe. It should be read in conjunction with Arizona Board of Regents and NAU policies regarding tribal consultation.¹
